This co	ntract	was concluded	for all inte	ents and	purposes	on 14 Ju	туу турт
after 🗌	was	informed of th	ne termination	on of th	e contrac	t; howeve	er,
authori	zation	for payment of	overrun wa	s made b	y MPIC Ju	ly 1964.	According
to memo	randum	received from		$\neg \neg \circ$	/L, this	contract	has
been se	ettled.	'					

Contractors performance was considered below average due to last request for overrun which seem to be questionable. The design study and device assembled, satisfactorily proved such a machine is workable for using high-density sound records on a film recording medium.

The final report for this contract, has been received and accepted.
